Best Practices in Employee Retention and Engagement

With employee turnover at an all-time high and recruiting challenges mounting, it's never been more important to examine your retention and engagement efforts. Training plays a crucial role in these efforts, so we're dedicating the entire afternoon to this topic. Between speakers we'll have round table discussions, so bring your ideas and best practices to share! And of course, we'll wrap up the day with happy hour at Hopsmith Tavern. This free event is open to both members and non-members.

Presenters
